Quotes

"Jason has great size, he is quick, and he can play on the perimeter. He is a tough guy to match up with."

Jay Wright - Villanova University

"Jason is not an NBA prospect, he is an NBA player. I coached him on the MAAC All-Star team in China and I know what he can do. If he continues to work hard you will see him in the NBA."

Jimmy Patsos - Loyola College (Md.)

"Remember the name because he will play in the NBA. Don't be fooled into thinking he's just another methodical big man in a small league. He has guard skills. He could be an All-American next season."
